

Welcome letter

Dear colleagues,

European Scientific Center «Biomarkers» (ESCBM), <https://escbm.org> take great pleasure in inviting you to participate in the International conference “**Modern Molecular-biochemical Markers in Clinical and Experimental Medicine - 2018**” on 31 October – 02 November 2018 in Prague, Czech Republic. The aim of the Conference is to create an open space for knowledge and growth of the researchers and scientists from participating countries: Member States of the EU, countries of the Eastern Partnership, Central Asia.

**Detailed information about past events can be found in the sections
GRANTS, EDUCATION**

The next topics will be covered during Satellite symposiums and Master classes on the basis of the Conference:

1. **Biological markers in Theoretical and Clinical Medicine (*Biological Markers in cardiology, neurology, internal diseases, Biomarkers for neurodegenerative and autoimmune disorders, molecular-genetic markers SNPs*).**

2. **Biological markers in Immunology and Allergy**

3. **New! Biological markers in Dentistry (*Markers of Bone Tissue, Inflammation, Oxidative stress, Implantology*).** Master class will include presentation of the monography *Biomarkers in Bone Disease* Editors: Patel, Vinood B., Preedy, Victor R. , Springer, 2017

Our invited speakers and members of the Organizing committee – professors, experts from Universities in the EU and Eastern Partnership countries (<https://escbm.org/page/view/scientific-mentors>).

Participants of the Master-classes will be given certificates of attendance, which can be verified at ESCBM site (<https://escbm.org/page/view/verification-of-certificates-service>).

Competition of the scientific works of the young researchers (under 35 years) with further granting will be held as a part of the Conference with the aim to support publication activity, presenting of the results on the International meetings.

Selected abstracts will be published in the official specialized scientific Journal of the Czech Republic (Registration number MK CR E 22955) “**Biological Markers in Fundamental and Clinical Medicine**” ISSN 2570-5911 (Print), ISSN 2570-5903 (On-Line), DOI-prefix 10.29256, <https://biologicalmarker.com>. Abstracts are to be grouped according to the metadata and prepared for the indexing in the scientometric data bases with use of the Open Journal Systems programme <https://biologicalmarker.com>.

Registration with abstract submission fee is 100 EUR, for young scientists (aged up to 37 y) – 70 EUR. The publication fee includes payment for publication in the collection of abstracts, inclusion of the topic of publication in the programme of the conference, attendee certificate, greeting dinner. Registration fee should be paid on arrival at site in Prague in the ESCBM bank account.

Fee for participation in the Master classes is 25 EUR. It includes training, paper materials, certificates. Fee should be paid on arrival at site in Prague in the ESCBM bank account.
